

cleaniq
services

The logo for Cleaniq Services is centered on a dark teal background. The word "cleaniq" is written in a white, lowercase, sans-serif font. The letter "l" is replaced by a blue broom icon with a white handle. The letter "i" has a small white square dot. To the right of the "q", there is a cluster of small white stars. Below "cleaniq", the word "services" is written in a smaller, white, lowercase, sans-serif font.

cleanio[®]
services

Primary logo

The primary logo is the main logo use to represent the brand. All other brand logos stem from this primary logo design. The primary logo design needs lots of space because of its intricacies and size. Use the main logo in places where it has plenty of room to breathe and isn't restricted by space.

We register the presence of Cleaniq with the primary logotype; the true-colour logo or icon. It is the most straightforward way our brand can be identified visually.

Secondary logo

Icon and favicon

The secondary logo is also an alternate logo. This logo should be able to stand on it's own without the main logo.

Our secondary logo is a word mark styled with a simple yet sophisticated font. There wasn't much alterations made to the main logo to derive the secondary logo.

It can be used on prints and as a website home key.

Color Pallets

Our brand colours are Green Cyan & White
We encourage you to use our brand colours generously for areas like our website, social media, online publicity campaign designs, and print materials. It helps our brand to be easily recognised.

Typography

Primary typeface

For the main heading text we chose the Mont(Book). It's simple and clean and compliments the primary logo and can also stand on it's own as a secondary logo
